BRIEF PROFILE OF M/S.VIVIL EXPORTS PVT. LIMITED

Looking at the global trend of dyes & dyes intermediates ,Vivil Exports Private Limited, a government recognized trading house, was established on April 1st 1989 and has its head office in commercial capital of India at Mumbai.

Beside Dyes and Dyes Intermediates we added in our range, products like , pigments, solvents ,organic and inorganic chemicals, plant & machinery/ engineering goods, laboratory chemicals and equipments, hospital items & equipments,various types of books and agarbatties, Turn key projects and corporate gift items.

With continuous growth our company has acquired two warehouses (approx 5000sq.ft.) for stocking & supervising our products. Both the warehouses are located in Bhiwandi which is approximately 40 Km from Mumbai. All our products pass through stringent packing standards as per the requirement of multinational companies before they are supplied to our customer.

We are proud to say that the company has grown in a substantial manner within a very short span since its inception. This could not have been achieved without the sincere cooperation and understanding amongst the professionally experienced staff in general and Mr. Ajay K. Kadakia in particular who is well versed in government policy matters, having vast travel experience abroad and in-depth knowledge in national and international market scenario. He is the past president of dyestuff manufacturing association of India, a body representing both small & large scale dyes & dyes intermediates manufacturers in India. He is also the past chairman of basic chemicals, pharmaceuticals & cosmetics export promotion council (CHEMEXCIL) formed by Ministry of Commerce, Govt. Of India, to promote dyes, dyes intermediates, organic and inorganic chemicals, cosmetics, toiletries and castor oil.

We have a valuable clientele all across the globe and are currently doing business in West Africa, East Africa, South Africa, Saudi Arabia, Dubai, Pakistan, Bangladesh, Srilanka, Thailand, Indonesia, Singapore, China, Korea, Taiwan, Japan, Fiji, Brazil, USA, UK, Germany, France, Italy, and Russia. The company has projected its turnover of Rs 500 million for the Financial year 2008-09.

-Mission : Add value to customer's expectations by - supplying quality products & services.

- Vision : To be a renowned supplier of quality products and services in the Global market.

-Goal: At Vivil we strive to achieve a consolidated, sustained and independent growth in the international market that ensures long-term business success.

- Management Information

1) Mr. Ajay Kadakia is the chairman of the company. With his zeal and perseverance the company came into existence in the year 1989. Mr Ajay Kadakia has a bachelors in mechanical engineering and has been in the export

business since the past 30 years. His constant hunger for success has helped the company to achieve several milestones. His foresight and vision has enabled the company to expand globally. He is the past president of dyestuff manufacturing association of India(DMAI) , a body representing both small & large scale dyes & dyes intermediates manufacturers in India and also the past chairman of basic chemicals, pharmaceuticals & cosmetics export promotion council(CHEMEXCIL) formed by Ministry of Commerce, Govt. Of India, to promote dyes, dyes intermediates, organic and inorganic chemicals, cosmetics, toiletries and castor oil.

2) Mr. Mihir Kadakia is the managing director of the company and has a bachelors in chemical engineering and a MBA in finance , Marketing and International Business. He joined business in 2003 and is expanding the business of Vivil Exports substantially. With his experience the company has been able to identify new product opportunities in the African and the Middle eastern market. He is primarily responsible for introducing various turn key projects catering to food/beverage and agro chemical industry.

3) Mr. Chintan Kadakia is the Chief executive officer of the company since June 2008. He has bachelors in business administration in Accounting and MBA in Marketing and is constantly developing strategies on different ways to expand the business of Vivil Exports. He is also marketing products in different countries like CIS, Europe, Latin America, West Africa etc. His tremendous work experience in the field of marketing would be a great asset for M/S Vivil Exports Private Limited..

- Lab International

Lab international is a sister concern of Vivil Exports Pvt Ltd. It was established in the year 1999, to enforce strong quality control and maximize customer satisfaction. It is located in Thane which is approximately 40 kms from Mumbai. It has state of the art in-house testing laboratory where the products we export, undergo stringent quality control procedures. This has enabled us to gain goodwill in the global market.

Lab International is primarily managed by Mr Ratnaparkhi who has tremendous knowledge and expertise in the field of dyes and intermediates. His team comprises of 8 to 10 lab technician who all are all masters in their respective fields
